

Concealed Shower

TSL.SHW.001

A minimalist stainless steel shower assembly with a two-way diverter for overhead and handheld flow. Components are concealed behind the finished wall and offered in four PVD colours as well as brushed satin.

All taps and accessories from The Splash Lab are fully compatible with the Concept Washroom range. By specifying directly with us, you gain exclusive project pricing, expert guidance from our specification team, and dedicated support from start to finish.
