

# Reflect Cubicle System

SPECIFICATION DATA SHEET

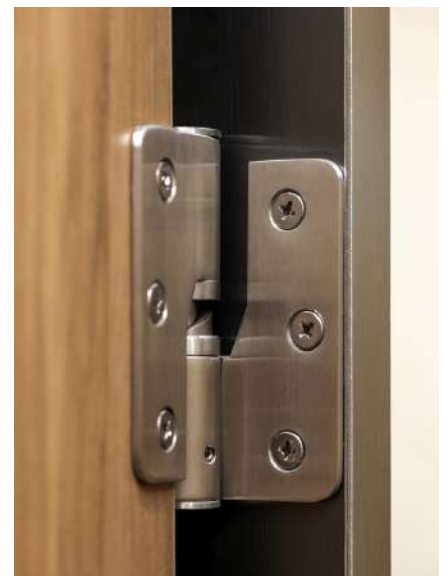

## Blend sleek style with lasting durability through brushed stainless steel effect pilasters

The Reflect cubicle range blends sleek style with lasting durability through brushed stainless steel effect pilasters and versatile finish options.

Its sleek, contemporary look adds a sense of understated luxury to any washroom environment. At Concept Washroom, we know that first impressions matter.

Made from 19mm High Pressure Laminate (HPL), the Reflect system empowers specifiers to deliver sophisticated washrooms that are suitable for heavy traffic environments. This sleek, contemporary look adds a sense of understated luxury to any commercial washroom.

Enhanced by premium, hard-wearing brushed satin stainless steel ironmongery, Reflect is built to impress and perform - ideal for executive offices, high-end hospitality venues, and commercial spaces where design and longevity go hand in hand.

# Reflect Cubicle System
